SUBJECT: DOJ Draft Authorization Bill

STAT

On 15 December 1986, I completed my review of the Department of Justice draft authorization bill for Fiscal Year 1988. I checked with of this Office with regard to two potential concerns: the request for permanent legislation regarding proprietaries and the request to allow the Associate Attorney General to approve certain actions under the Classified Information and Procedures Act. After deciding there were no problems, I telephoned the Office of Management and Budget and stated that the Agency has no objection to the draft bill.
